I hereby certify that I have obtained the necessary permission for copyrighted material included in my thesis and choose that the document be placed in the eTD archives with the following status:

<u>1</u>. **OPEN ACCESS** — Allows free worldwide access to the entire work beginning immediately after degree conferral. Appropriate for the majority of thesis submissions in immediately fulfilling the requirement for making the work available to the public.

<u>2</u>. **RESTRICTED** (**PENN STATE ONLY**)* — Access restricted to individuals having a valid Penn State Access Account, for a period of two years. Allows <u>restricted</u> access of the entire work beginning immediately after degree conferral. At the end of the two-year period, the status will automatically change to Open Access. *Intended for use by authors in cases where prior public release of the work may compromise its acceptance for publication*

______3. **RESTRICTED** — Restricts the entire work for a period of two years, for patent and/or proprietary purposes. At the end of the two-year period, the status will automatically change to Open Access. Selection of this option requires that an invention disclosure (ID) be filed with the Office of Technology Management (OTM) prior to submission of the final thesis and confirmed by OTM and Office of Theses and Dissertations.
