Please share your recommendations for program improvement by answering the following questions:

1. Is there anything that can be done to better support you, the teacher (e.g., conduct special topic staff training sessions, provide ideas for intergenerational activities, or assist in facilitating intergenerational activities)?

2. Is there anything that can be done to better support the senior volunteers (e.g., provide additional training, acknowledgment)?

3. Is there anything that can be done to better support the children who participate in the intergenerational program (e.g., conduct orientation sessions on topics such as "What Is Aging?")?

4. Any other recommendations for how we might improve the program?
