

The Connection: Standards, Anchors and Career Development Events

KEY/USAGE ASSISTANCE

- The “Career Development Event Content” = Objectives and activities for the specific career development event according to the National and State FFA CDE Handbooks.
- The “Related Academic Standards/Anchors” = Standards from the academic content area indicated at the top of the page are listed for reason of relation to any of the Career Development Event Content areas. Anchors = All standards that have assessment anchor examples are underlined. (Please note: Reading, Writing, Speaking, Listening and Mathematics are the only academic content areas that have related anchor assessment examples.)
- The “Connecting Examples: CDE Objectives and Standards/Anchors” = A specific standard, which is listed, and a specific example from the indicated Career Development Event that relates directly to that standard. (Please note: specific examples from the Career Development Event are in **Bold**.)
- This manual only includes academic content areas related to Reading, Writing, Speaking and Listening, Mathematics, Science and Technology and Environment and Ecology. (Please note: not all career development events include the four academic content areas.)
- A specific grade level was used for each academic content area and indicated as follows: Reading, Writing, Speaking and Listening = Grade 11, Mathematics = Grade 11, Science and Technology = Grade 10, Environment and Ecology = Grade 10.
- The Assessment Anchors are for grade 11.
- You can find a copy of the Assessment Anchors and Table of Contents for the four academic content areas in the appendix or online at: <http://www.pde.state.pa.us> under K-12 Schools and Assessments and under K-12 Schools and Standards, respectively.
